Argentina Organizes Association to Boost For Improved Highways

Correspondence of Associated Press) BUENOSAIRES. Aug 2 Stimula ed by North Americans, "The Good Roads Association of the Argentina Republic" has just been organized and plans an active moving picture tewspaper and public speaking prop aganda Good roads in Argentina tre a rarity and the use of automo riles of automobile trucks between owns and cities is virtually impos-

S. T. Henry, of New York, a road building engineer, was largely responsible for the organization of he association during a recent visihere. It has received the support of American automobile interests and coment companies and of the British railroads for which good mads would act as feeders from agri ultural districts. Success has been uttained in interesting prominent Ar gentines in the movement, who has been asked to become officers of the association.

#### AMUSEMENTS

WANDA HAWLEY IN BRILLIANT COMEDY

A new star, a remarkable cast of famous players, and an internation p'ly renowned comedy, form a "threecircus" of attractions which will be presented at the Butler thea tre today. The combination is made up of Wanda Hawley, recently cre ated a Realast star; a cast composed of Harrison Ford, Helen Jeroms Eddy, Walter Hiers and Jack Mul hall; "Miss Hobbs," the famous Jerome K. Jerome stage success scenarized by Elmer Harris,

It is seldom that a new star is launched so auspiciously. With capa ble support and a story that ever critics in the country have acclaimed or its humor. Wanda Hawley should make the same tremendous hit in 'Miss Hobbs" which was evident during her long months of appreniceship as a leading woman in nu nerous distinguished picture dramas

"No woman in her heart ever

realy hates men, if she is a norma woman in healthy mental condition? asserts a student of psychology and mental diseases. Insure women may have an antiparts for men, but ed, if not to all men, at least to some men. When a woman asserts that she hates all men you may take I for granted that she has a grudge gainst one particular man, and that the is eager and ready to have some ther man prove to her that he is different, that he really approxiates er, that he really loves her."

If that conclusion is correct, what would account for the avowed avertion of Mass Hobbs, become of Jer ome K Jerome's sparkling comedy of the same name, for all manking! Miss Hobbs was young, she was prerty, he was magnetic, and surely no mere man had ever jifted or wounded her. Then why did she hate men, and do all in her power o break off the betrothals and ever narringes of her women friends

Porhaps the best explanation for Miss Hobbs' strange attitude toward the sterner sex lies in her own very civid and unusual personality. She was proud, Independent, spirited, and only to be won by someone stronge than berself. Her attitude was her unconscious defiance to the men weaker and less determined than her elf. She was at heart, though she never had remotely suspected the fact, a very primitive woman, simply waiting for someone with ravenan qualities to subdue her strong

### ANNOUNCEMENT

We are going to move to the Crumley Block on September 1st. This move is necessary in order to provide better facilities for hand ling our rapidly growing automobile and tire business. We shall make a feature of the Brunswick Tires which we are handling with a guarantee that every tire sold must give satisfactory mileage to our customers. The Brunswick-Balke-Collender Co. are well able to manufacture tires equal to any, and we believe they are doing it. It must be understood that the Brunswick is not a cheap tire, but, on the other hand, is a high class article made from the best of materials by skilled workmen. When you become dissatisfied with your tire mileage try one. We still have a few tires that went through the flood which we are selling at 20 per cent reduction. These tires are not damaged, but the wrappers were destroyed and they must be sold to prevent deterior-

We have one crackerjack Chevrolet 490, delivery body, for \$550.00. It's worth more money. Come in and look at it.

TONOPAH MACHINERY COMPANY
